

ZEOLITE 2014

The 9th International Conference on the Occurrence, Properties and Utilization of Natural Zeolites that will be held in Belgrade (Serbia) from 8th to 13th of June 2014.

The Institutions that will jointly organize this event are the Institute for Technology of Nuclear and Other Mineral Raw Materials -ITNMS (Serbia) and the Faculty of Chemistry and Technology, University of Split (Croatia) along with the support of the Chamber of Commerce and Industry of Serbia.

Chairs of the Congress are Dr Aleksandra Daković, ITNMS (Serbia) and Dr Marina Trgo, University of Split (Croatia).

The Venue:

Belgrade, the capital of Serbia, is situated in south-eastern Europe on the Balkan Peninsula. Belgrade lies at the confluence of two international waterways, the rivers Sava and Danube, which surround it on three sides. Because of its position, it has rightly been called "Gateway to the Balkans" and the "Door to Central Europe".

Zeolite 2014 is the latest in a series of conferences organized under the auspices of the International Natural Zeolite Association (INZA).

Other conferences were held in

Tucson, Arizona, USA in 1976 (Zeolite'76);
