## VIII All-Russian Scientific Conference with international participation "GEMOLOGY"

**TOMSK, NOVEMBER 23-25, 2017**  
**I LETTER OF INFORMATION**

**Dear Colleagues!**

We are happy to invite you to the **VIII All-Russian Scientific Conference with international participation "Gemology"**, dedicated to the **45th anniversary of the Tomsk branch of the Russian mineralogical society and the 70th anniversary from birthday of Konovalenko Sergey I.** and with held on **November 23-25th, 2017**, in the Tomsk State University, the Mineralogy and Geochemistry Department.

A wide range of issues associated with general and applied gemology as well as collecting of minerals and the activity of mineralogical museums will be discussed at the regular gemological conference.

### **Themes of the conference:**

- Mineralogy and geology of deposits of ornamental stone and collection materials;
- Problem of synthesis and improvement of precious and ornamental stones;
- Gemological collection in the exhibitions and funds of the museums
- Jewelry production and the history of jewelry art

A school-seminar is planned within the frames of the conference for postgraduates and young scientists with the participation of leading scientists and specialists in the sphere of gemology and mineralogy, breakout sessions and a poster session.

The languages of the conference are Russian and English.

Research officers, specialists, teachers of universities, postgraduates, candidates for a master's degree and students are welcome to take part in the work.

A competition for the best scientific report will be arranged amidst young participants of the conference.

In the event of extramural participation the materials of the conference will be distributed amidst the participants by the end of the conference.

All concerned parties are welcome to take part in the conference

## STEERING COMMITTEE OF THE CONFERENCE

### Chairman:

Galazhinsky E.V. - Doctor of Psychology, Professor, Rector of the Tomsk State University, Tomsk, Russia

### Co-Chairmen:

Tatianin G.M. - Candidate of Geology and Mineralogy, Docent, Dean of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Zyryanova L.A. - Senior Teacher of the Mineralogy and Geochemistry Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

### Steering Committee of the Conference

Kvasnikov A.V. - Jeweler, individual entrepreneur

Manankov A.V. - Doctor of Geology and Mineralogy, Processor of the Dynamic Geology Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia; chairman of the Tomsk branch of the Russian Mineralogical Society

Vrublevsky V.V. - Doctor of Geology and Mineralogy, Processor of the Dynamic Geology Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Kisin A.Yu. - Doctor of Geology and Mineralogy, Head of the Laboratory of the Geology and Geochemistry Institute, Urals Branch of the Russian Academy of Sciences, Yekaterinburg, Russia

Chernyshov A.I. - Doctor of Geology and Mineralogy, Processor of the Petrography Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Ananyev S.A. - Candidate of Geology and Mineralogy, Docent of the Geology, Mineralogy and Petrography Department of the Institute for Mining, Geology and Geotechnologies of the Siberian Federal University, Krasnoyarsk, Russia

Sveshnikova V.L. - Head of the Mineralogy Museum named after I.K. Bazhenov, Tomsk State University, Tomsk, Russia

Bukharova O.V. - Candidate of Geology and Mineralogy, Docent of Mineralogy and Geochemistry Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Mishenina M.A. - Assistant of the Mineralogy and Geochemistry Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

### Responsible Secretary of the Conference

Peshkov A.A. - Assistant of the Mineralogy and Geochemistry Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Zenina K.S. - Assistant of the Mineralogy and Geochemistry Department of the Geological and Geographical Faculty of the Tomsk State University, Tomsk, Russia

Those who wish to participate in the conference you need to register on the official website <http://conference.tsu.ru/gemology/> conference or send a request via e-mail [kszenina@ggf.tsu.ru](mailto:kszenina@ggf.tsu.ru)

## Control Dates

before

May 20, 2017

Please send **the text** of the paper and the copy of the **slip** on registration fee payment

before **June 20, 2017**

Files shall be named with the last name of the first author - Ivanov\_text.doc, Ivanov\_Fig1.jpg

**Attention! No paper media with materials are required!**

Request for Participation in the VII Scientific Conference "Gemology"

Full name of the author and the co-author	
Place of work / training (full name of organization and address)	
Position, academic title	
Postal address, to which the collected works will be sent (including zip code)	
Contact phone number	
E-mail	
Name of report	
Number of additional copies of the collected works	
Form of participation in the conference (intramural, extramural)	
Demand in hotel booking	

## Rules for Execution of Materials

<i>Volume</i>	3 to 8 pages of A4 format, electronic variant of materials.
<i>Electronic variant</i>	MS Word 2003, margins – 20 mm for all sides
<i>Header, authors, organization, e-mail</i>	Type Times New Roman Cyr, size 12; Line 1 - paper name, bold capital letters in the center Line 2 - space; Line 3 - initials and last name of the author, bold lower-case type; Line 4 - italics, full name of the university (organization), city, country; Line 5 – italics, e-mail; Line 6 - space; Line 7 - abstract to paper Line 8 - space; Line 9 – paper text.  <b>NAME OF REPORT</b>  <b>O.I. Ivanov</b> <i>Tomsk State University, Tomsk, Russia</i> <i>e-mail: ivanov@rambler.ru</i>
<i>Abstract</i>	Brief abstract [500 characters], type 10 Key words (10 words)
<i>Main text</i>	Type 12, justify the text, no hyphenation is allowed. Type <b>Times New Roman</b> , size – 12; interline spacing <b>single</b> .
<i>Figures</i>	Graphical materials (figures, photographs, scanned images) are given in <b>JPEG</b> format. Figures shall be clear. Figures need to be duplicated in separate files with *.jpg format. Names and numbers of figures are indicated under figures, and names and numbers of tables - above tables.

<i>References</i>	References are included in the text in square brackets [1] in compliance with the numeration in the list of references,
<i>List of references</i>	References used are given in the alphabetic order in the end of the text with the heading: References. The list of references shall correspond to generally accepted requirements. References are indicated in the text in square brackets. Electronic versions of printed works available for free in the Internet are indicated in the list of references in the form of a link to their location.
Example of the list of references: <b>References</b> 1. Kiyevlenko Ye.Ya., Senkevich N.N. Geology of Ornamental Stone Deposits. – Moscow: Nedra, 1983. – 263 p. 2. Rossovsky L.N., Konovalenko S.I., Ananyev S.A. Conditions for Rubin Formation in Marbles // Geology of Ore Deposits. 1980. – Vol. 24. – No. 2. – Pp. 57–66. 3. Gusev A I. Classification of Granitoids on the Basis of Biotite Composition // Success in Modern Natural Science. – 2010. – No. 4 – Pp. 57-58 URL: <a href="http://www.rae.ru/use/?section=content&amp;op=show_article&amp;article_id=7785002">www.rae.ru/use/?section=content&amp;op=show_article&amp;article_id=7785002</a> (date of inquiry: 27.03.2013)	
<i>Information in English shall be provided for inclusion of materials to the citation base of the Russian Science Citation Index.</i>	- English variant of the full name of the author; - name of organization; - name of paper;  The hierarchy of the Universe in Flaubert's early prose; Ivanov Ivan I., Tomsk State University (Tomsk, Russia).  - paper abstract in English (1500-2000 printed characters) and original text of the autoabstract in Russian;

Reports that do not meet the requirements specified above and that were sent after the established dates will not be published.

**The registration fee** of the conference participant is **RUR 600**. The registration fee includes a conference participant's package, collected works, coffee break, expenses for editing.

Extramural participants of the conference wishing to receive collected works shall transfer **RUR 400** (cost of the collected works and shipping) to the bank account.

One copy of collected works is provided per one published paper independently from the number of co-authors. The cost of an additional copy is RUR 400.
