

SERGM Meeting

Date: 11th September 2012

Location: The Bell, Godstone

Young Geoscientist Competition
Initial call for papers

The South East Regional Group is planning to hold its inaugural young geoscientists papers competition on 11th September and warmly invite geoscientists within our region to enter.

The competition is open to geoscientists under the age of 35 for a geology or engineering geology related presentation of up to 15 minutes in length. The entrants are judged both on the quality of their presentation and knowledge of the subject matter. The winner will receive a cash prize of £100 and a book token, and will go forward to the national competition held at Burlington House.

This is a good opportunity to show your ability and skills to other members of your local region.

To enter please submit a brief summary of your presentation to either:

Jon Race: jrace@southerntesting.co.uk

Ron Williams: rew182@btinternet.com

The deadline for entries: 31st August 2012
