

To the Presidents
and the Representatives of the
National Societies Members of the European Mineralogical Union

Subject: 2012 EMU Council Meeting at Goldschmidt 2013 (Florence, Italy)

Dear colleagues,

The 26th EMU Council Meeting is scheduled on Wednesday, August 28, at 12:15 at the Goldschmidt 2013 Conference site. To date, we do not have information on the room number; once established, we will communicate that immediately to the delegates. For the meeting, we'll have one hour at most because the Plenary Lectures will start again at 13:30.

The Goldschmidt Conference is chiefly attended by geochemists and we are aware that some of the designated delegates of the National Societies, for example those from the crystallographic community, are possibly absent during this meeting. We therefore ask to nominate National Delegates for the EMU Council who do attend Goldschmidt 2013, and send their names and email addresses to me (whsati@gfz-potsdam.de) and to our secretary Juraj Majzlan (Juraj.Majzlan@uni-jena.de) in order to constitute a quorum. Please do that, if reasonably possible, before July 22th. You may find the number of delegates for each member country on the attached sheet.

Please find also the agenda of the 26th Council Meeting attached. Written reports of the president, treasurer, auditors and the minutes of the 25th Council Meeting will be distributed among the presidents and nominated delegates end of July/beginning of August.

On behalf of the EMU Executive Committee, with best regards,

Wilhelm Heinrich
EMU President

President: Wilhelm Heinrich, wilhelm.heinrich@gfz-potsdam.de, Helmholtz-Zentrum Potsdam, Deutsches GeoForschungsZentrum GFZ, Telegrafenberg, 14473 Potsdam, Germany
